

Big Fix: Falmouth Application

About:

The Big Fix is a community service event coordinated by Housing Assistance Corporation (HAC). The vision of this event is to make home and landscaping improvements that will enhance the comfort, safety and quality of life for seniors, the disabled and veterans in the Town of Falmouth. Our mission is to engage community volunteers in performing small home repairs, cleaning and landscaping work at homes selected to receive assistance. The accumulation of small home repairs can become a burden to this population of the community. These minor repairs will have a major impact on the lives of these residents.

May HAC Energy contact you about a free energy assessment?

Yes

No

HAC Energy, a program of HAC, is now conducting free energy assessments. Based upon income qualifications, you may qualify for a new energy-efficient refrigerator, weatherization, and a heating system upgrade - all free! Along with energy-efficient light bulbs, these improvements will save you money and reduce your electric usage.

Tell us about who lives in the home: (names, ages, relationship to homeowner)

Please give us an idea of what type of landscaping projects and/or minor indoor & outdoor home repairs you need done?
